

PRINCIPALS, TEACHERS & PUPILS
ENGAGEMENT & CULTURE PROGRAM
12 WEEKS DURATION

**SIMPLE ACTION-BASED PROGRAM
TRANSFORMS DISENGAGED
PRINCIPALS, TEACHERS & PUPILS
INTO FULLY ENGAGED LEADERS**

THIS PROVEN PRINCIPALS, TEACHERS & PUPILS ENGAGEMENT & CULTURE PROGRAM IS ACTION-BASED AND NEUROLOGICALLY **DESIGNED TO INCREASE PRODUCTIVITY, HARMONY & LEADERSHIP**

Our program is guaranteed to transform your institution's culture!

The **12 Step Principals, Teachers & Pupils Engagement & Culture Program** can be run in-house or via video link. All meetings are designed to captivate and entertain your key people, whilst strategically developing new habits and behaviors.

It's designed to take the day-to-day pressures off the teachers and managers, and empower pupils and staff to take ownership, accountability and responsibility. Our Engagement Strategists will be there to manage and lead the entire process from start to finish.

OUR CLIENTS:

//

So far, very worthwhile, I have already seen a tremendous difference in not only the leadership team but in morale in employees who are noticing true change.

We started the program as a sceptic and ended as a believer. I felt that business models and industry jargon had no place in educational management, but in fact, educationalists need to learn from the industry in terms of corporate management best practice. Issues in all organizations occur because employees are human and act in definable and predictable ways. A better understanding of the element produces creativity, innovation and contentment in its workforce.
